Public Notice to All Rusk County Property Owners

Dear Rusk County Property Owner,

Section 26.04(e-2), which was added to the Tax Code by SB 2 in 2019, requires appraisal districts to provide notice to property owners, by mail or e-mail, that their estimated taxes may be found at a website maintained by the appraisal district.

For Rusk County the website is www.ruskcountytaxinfo.com. You will be receiving a postcard in the mail alerting you to go to the above mentioned website. These postcard mailings are required to be mailed by August 7, or as soon thereafter as practicable.
